RADISSON MINING CLOSES FINANCING WITH THE MINERALFIELDS GROUP

Rouyn-Noranda, Quebec, May 12, 2011, Radisson Mining Resources Inc. (TSX-V: RDS) is pleased to announce it has closed on a \$375,000 non-brokered private placement of flow-through units and a \$90,000 non-brokered private placement of hard units with the MineralFields Group.

The placement consisted of 2,500,000 flow-through units (the "Flow-Through Units") in the capital of the Corporation issued at a price of \$0.15 (Canadian) per Flow-Through Unit raising aggregate proceeds of \$375,000. Each Flow-Through Unit is comprised of one common share of the Corporation issued on a flow-through basis and one-half of one transferable non flow-through common share purchase warrant. Each whole warrant is exercisable into one non flow-through common share for a period of 24 months from the date of closing at an exercise price of \$0.30 (Canadian). The placement also consisted of 692,307 hard units (the "Hard Units") in the capital of the Corporation issued at a price of \$0.13 (Canadian) per Hard Unit raising aggregate gross proceeds of \$90,000. Each Hard Unit is comprised of one common share of the Corporation and one-half of one transferable non flow-through common share purchase warrant. Each whole warrant is exercisable into one common share for a period of 24 months from the date of closing at an exercise price of \$0.30 (Canadian).

100% of the gross proceeds of the Flow-Through Units sold under the Flow-Through Offering will be used for Canadian exploration expenses (within the meaning of the *Income Tax Act* (Canada)) on Radisson's O'Brien/Kewagama property.

In connection with the private placement, finders received compensation comprised of a 6% cash fee based on the gross proceeds raised and finder's warrants equal to 8% of the number of Flow-Through Units and Hard Units subscribed for under the offering. The finder's warrants are exercisable for a period of 2 years from the closing date at an exercise price of \$0.30 (Canadian).

Commenting on the placement, Michel David, the President and CEO of Radisson stated: "We are very pleased to be continuing our relationship with the MineralFields Group." "This is an important milestone in the growth of Radisson Mining Resources Inc. and we look forward to working with the MineralFields Group as we develop our O'Brien/Kewagama property."

ABOUT RADISSON MINING:

Radisson is a Quebec-based exploration company whose main asset, the O'Brien / Kewagama Property (the Property) is located along the Cadillac Break and was previously the site of the past producing O'Brien mine, the highest grade gold producer of the Abitibi greenstone belt (reported production 1,302,000 tons @ 0.448 ounces per ton, 1932-1955).

Exploration by the Company on the Property in the past resulted in the discovery of an indicated resource of 218,540 ounces (based on an indicated resource of 270,000 tons at an uncut grade of 0.56 oz/ton and an inferred resource of 182,000 tons at an uncut grade of 0.37 ounces) as defined in the Scott-Wilson RPA 43-101 report of May 2007.

The company is presently completing a 3000 meter exploration drilling program on the Property, and results will be announced as soon as available.
