## **PRESS RELEASE**

**For immediate release**

**03-07**

### **RADISSON MINING EXPANDS MANAGEMENT TEAM** **TO FOCUS ON GOLD AND MOLYBDENUM PROPERTIES.**

**Rouyn-Noranda, April 11, 2007,**

**Radisson Mining Resources Inc. (RDS: TSX-V)** has an ambitious exploration and development program scheduled for the immediate future. Focus will be on the Company's high-grade gold properties, the O'Brien/Kewagama projects in north-western Quebec, and the Highway Showing molybdenum properties south of Dryden, Ontario.

Accordingly, in preparation for this major program, Radisson has effected the following changes in management of the Company.

**Dale M. Hendrick, P.Eng.** has assumed the position of Chairman of the Board of Directors. Mr. Hendrick has served as the Company's Technical and Financial Advisor for the past five years and is President of Dale M. Hendrick and Associates, a geological consulting firm in Toronto. He was educated at the University of Ottawa and Queen's University. He brings 50 years of experience and an excellent reputation to the Board of Directors. His career is marked by successes in resource industry development and corporate finance and, for many years, he served as a director and administrator of public companies listed on major stock exchanges. He also has extensive experience in arranging major financing for several large resource companies listed on the Toronto Stock Exchange.

**Kenneth G. Murton, B. Comm.** has been appointed to the office of President and CEO and has been elected to the Board of Directors. Mr. Murton has a long and successful career in both investment banking, serving as a senior officer of major firms from bases in Toronto, New York and London, England, and in management of mining companies, most recently serving as President and CEO of Khan Resources Inc. with a major uranium project in Mongolia. Mr. Dale Hendrick served as Chairman of Khan Resources while Mr. Murton served as President and CEO. This successful partnership augurs well for Radisson.

**Donald Lacasse, Ing.** has been appointed to the offices of Vice President, Chief Financial Officer and Secretary-Treasurer and will remain as a Director of the Company. Mr. Lacasse is a civil engineer with 26 years of experience at Hydro-Québec as director of several departments. He has extensive expertise in personnel management and overall project management, with more than 300 employees. In addition to being a long-time Radisson shareholder, he served as President and CEO from April 2003 to April 5, 2007.

The Board of Directors of Radisson Mining wishes to thank Mr. **Jean-Marie Dupont** who has resigned as Chairman, but who will remain as a Director of the Company and Me **Maxime David** who has retired as a Director as of April 5, 2007. The significant contribution of each is greatly appreciated.

To quote the new Chairman, Dale Hendrick " We believe Radisson has put in place a winning team and has put itself in the way of significant opportunity".

On another matter, the Board of Directors approved the grant of a total of 800,000 options for five directors. These options were granted at an exercise price of \$0.235 and are valid for a period of 5 years.

The TSX Venture Exchange does not accept any responsibility for the adequacy or accuracy of the press release.
